

PT. HARISHANKAR SHUKLA MEMORIAL COLLEGE RAIPUR (C.G.)

Innovation

➤ Power point (PPT) Bank :-

The HEI has developed a PPT bank made by the faculties of the institution to provide tutorials, for viable teaching learning process to the students and to motivate them for smart learning process.

➤ Knowledge Garden :-

The HEI has developed a lush green ambience despite of central library and departmental library, in order to spread the knowledge of arts and culture , Science and technology, Human values, Morality, Religious and spiritual etc.

The main objective for making knowledge garden is to motivate the stake holders to develop the garden in their own ambience, locality and to adopt the authentic knowledge by books along with Google.

➤ Rare Books Section :-

The central library of institution has developed the section of rare books which is a collection of those books whose access is difficult from different sources.

➤ Mushroom Cultivation :-

In order to improve the food habits and to incorporate protein in food , the HEI has started a value added course of mushroom cultivation, where the stakeholder learns to cultivate mushroom and they are motivated to earn money by selling them.

➤ Vermi Composting :-

The HEI has started a value added course to manufacture organic manure by utilizing the waste of mushroom cultivation and other organic waste. The vermi compost thus formed can be utilized in the fields for organic manure.

➤ नरवा, घुरवा, बाड़ी :-

छ.ग. राज्य के यशस्वी मुख्यमंत्री के महत्वाकांक्षी योजनाओं के आधार पर महाविद्यालय द्वारा, जल संरक्षण, गौ सेवा, एवं पर्यावरण संरक्षण को प्रोत्साहन हेतु नवाचार परियोजनाओं को लागू किया गया।
